

KNIFE

safety

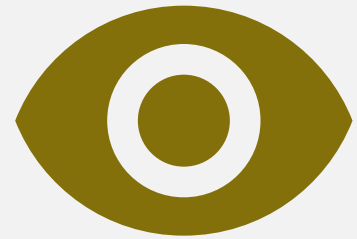

Starting a fire almost always includes using a knife or hatchet. It is important to always remember that knives are a tool, not a toy. Remember LASH --->

LOOK:

Take a look around you and make sure there is no one within arms reach of you.

AWAY

When using a knife, make sure you are always moving the blade away from your body.

SHARP

A sharp knife is a safe knife. You are more likely to cut yourself with a dull knife than a sharp one.
